

Streetscape Adopt a Planter

Terre Haute's "Streetscape" continues to improve, and now you can help downtown look better than ever this year by adopting one of the many planter boxes along Wabash Ave. and 7th St.

Adoption fees are \$50, \$100, and \$250 annually, based on size of planter box. We'll recognize your support through the use of decorative plaques, media coverage and various on-line methods. You, or your company, can use this opportunity to further promote your support for downtown.

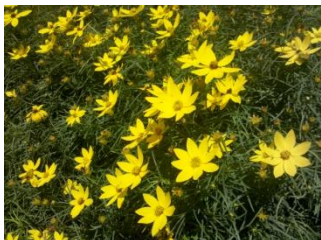

We are encouraging sponsorship for the entire downtown area. There are many planter boxes to choose from along Wabash - 3rd Street to 14th and along the 7th Street Arts Corridor.

As a sponsor, you do not need to plant, weed or maintain the planter box - these services will be provided as part of your sponsorship.

Annual Adoption Fees:

Small Planter	4x4	\$50.00
Med. Planter	5x10	\$100.00
Large Planter	6x20	\$250.00

Each sponsorship will include Perennial Flowers, Hardwood Bark Mulch, and Watering. The beds will be planted and maintained by a professional landscape company.

For further information, or to adopt a planter box, please contact the ISU Business Engagement Center at (812) 237-2536.
